

Gaston County Republican Party

Senator James Forrester

Lifetime Achievement Award Nomination

The Senator James Forrester Lifetime Achievement Award recognizes an individual who not only believes in the ideals of the Republican Party, but who has demonstrated their commitment to the party organization, especially at the local level, through their years of service. Contributions of time, resources, ideas, party leadership, volunteerism and conservative leadership as an elected official are all examples of qualifying factors for this award. Nominees should be those individuals, who through continuous support of Republican candidates, have helped to build and support the foundation and structure of the Republican Party in Gaston County.

Guidelines:

- 1) In order to be selected, an individual must be nominated by another Gaston County Republican via this form. Only nominations by *individuals* (not groups or clubs) will be accepted.
- 2) You must provide supporting information for a better chance of the nominated individual to be selected. Incomplete nominations will not be considered.
- 3) Nominations are not equal to "votes," so good reasoning for your choice is imperative.
- 4) The Chairman of the Gaston County Republican Party shall appoint an Awards Committee Chairman who shall solicit nominations. Once the nominations deadline has passed, a full committee will be appointed to ensure that no nominated individuals are placed on the committee.
- 5) The Awards Committee is responsible for reviewing all nominations and determining the award winner. The recipient's name will be kept confidential until the award is presented at the annual Lincoln Day Dinner.
- 6) Nominations may be for living individuals or may be made posthumously.
- 7) This award recognizes an individual's contributions and achievements over a lifetime. Please provide evidence of longstanding service to the Gaston County GOP by this nominee.
